Experience

Trainee Pilot — 2020
Republic of Singapore Air Force
- Operated an aircraft successfully in a high-stress environment
- Fostered team spirit with other trainees in an unfamiliar overseas training ground

Section Leader — 2018-2019
National Junior College Chinese Orchestra & Guzheng Ensemble
- Ensured high standard of music quality, achieving a Certificate of Distinction in 2019 Singapore Youth Festival Arts Presentation.
- Led the only section with students from 6 academic levels, with vastly different learning styles and abilities, thereby achieving the College Day CCA Award.
- Coordinated with core leader members and orchestra leaders to better improve overall music quality
- Organised outings outside of curriculum to know each other better, allowing for friendliness yet assertiveness to group members .

Economics Representative — 2018-2019
National Junior College
- Printed and distributed class materials on time and efficiently.
- Represented class to visit a factory to understand microeconomic objectives of the firm.
- Helped classmates learn through real-life application and fostered interest in economics, eventually being the 3rd best performing class for economics.

Volunteer Leader — 2019
Ramakrishna Ashrama Orphanage
Penang, Malaysia
- Organised and planned activities to bond and empathise with orphans.
- Adapted quickly to the unpredictable children and limited resources available, resulting in a fun and meaningful experience.

Office Assistant — 2015
AGB Education Centre
- Completed trivial tasks like paperwork.
- Observed and contributed to the inner workings of a successful local start-up.
- Learned important teamwork skills with colleagues.
